Against the winning margins

Each constituency's names deleted after the draft against the winning margin at its 2024 Assembly election, from the Election Commission's results.

In 3 of 147 constituencies the names deleted after the draft are larger than the 2024 winning margin. Larger than the margin means large enough to decide a seat, never that it did, and the figures cannot show how anyone would have voted.

TRIPURA 2026

No draft roll has been published yet. It is due on 12 December 2026.

Overview

1 Tripura has not yet published a draft roll, so no count of names left off exists for it.

Where the revision stands

Tripura has not yet published a draft roll, so no count of names left off exists for it.

The dates come from the public broadcaster's report of the revised schedule, quoting the Additional Chief Electoral Officer. The Election Commission's own order was not found.

The revision was rescheduled because of the Village Committee elections of 28 September 2026 in the tribal areas. House visits were first due to start on 5 September 2026.

Under the revised schedule the qualifying date is 1 January 2027 and house to house enumeration runs from 6 November to 5 December 2026.

The draft roll is due on 12 December 2026 and the final roll on 15 February 2027. These are scheduled dates and neither roll has been published.

No roll has been frozen for the revision, nobody has been left off a draft and no notices have been sent.

Tripura's dates are drawn beside every other state's on How the revision was run. The method page lists each source.
